

# ZACHARIE VIDAL

---

Born in 1981, Zacharie Vidal is contemporary pop artist from Lège Cap-Ferret, France. Since childhood, Vidal has been an eager artist pursuing drawing and painting as hobbies. This deep-rooted childhood passion is the foundation for his inexhaustible inspiration today. A self-taught artist, Vidal spent many years developing techniques unique to his own. One look in his studio exemplifies the testament to his advanced proficiency in hybrid, mixed-media creations. His technical research has given birth to unrivaled original and authentic contemporary works. Using 24k gold-plated coins to create the background and a layer of hand-cut acrylic to create the positive space of the imagery, Vidal finishes each piece off with a loosely poured resin seal. Represented by galleries in France and the United States, Vidal's work speaks to a wide audience.
