

Ian Rayer-Smith

"In his paintings, he seeks to connect with man's earliest forms of self-expression and create a strong sense of emotional impact or energy."

Ian Rayer-Smith is a highly accomplished artist who skillfully blends influences by looking back at the old masters, and reflecting on contemporary culture. His paintings evoke a strong, primal emotional response as he connects with humanity's earliest forms of self-expression.

Based in Manchester, UK, Rayer-Smith finds inspiration in the city's vibrant creative landscape, and its physical environment. In his relentless pursuit of personal exploration and discovery, Rayer-Smith invites viewers to delve into deep introspection and emotion.
